**We are available at any hour to suit your business.**

## Health and Safety

White Tiger Cleaning Ltd recognises that the wellbeing of its employees, customers and members of the public are of paramount importance.

We are committed to ensure the highest possible health and safety standards and are accredited by SafeContractor, SMAS & Constructionline. Therefore, we employ an external Health & Safety Officer who visits all sites prior to any contract commencing and undertakes a detailed risk assessment to ensure we achieve the highest levels of health and safety.

In addition to the Risk Assessment, a contract specific, site safety control pack will be prepared for the client to approve before any work commences. This pack will include the following:

- ❖ RAMS
- ❖ Training and Qualification Certificates
- ❖ Style of work
- ❖ Working Instructions
- ❖ COSHH Data Sheets – for chemicals used in the cleaning process
- ❖ PAT Testing Certificates – for required equipment

Throughout the duration of each contract our team will also implement regular Health and Safety checks to ensure all sites are safe and compliant at all times.

## **Environmental Management**

White Tiger Cleaning Ltd recognises and accepts its responsibility that concern for the environment is an integral and fundamental part of the company's business strategy.

Our company improve environmental performance through implementation of the following:

- ❖ Comply fully with all relevant legislation
- ❖ Promote recycling and the use of recycled and renewable materials
- ❖ Take positive steps to conserve resources, particularly those which are scarce or non-renewable
- ❖ Minimise the production of waste
- ❖ Liaise with suppliers to minimise the impact of their operation on the environment
- ❖ Train employees on Environmental Issues
- ❖ Minimise energy wastage
- ❖ Minimise Material wastage
